Continuation of 4(e) Other: Applicants' amendment has changed statutory subject matter. Amendment to claim 7 converted the product claim into a composition claim that is independent or distinct from the invention originally claimed. Since applicant has received an action on the merits for the originally presented invention, this invention will be constructively elected by original presentation for prosecution on the merits. Accordingly, claims 7, 10, 12 and 14 will be withdrawn from consideration as originally presented non-elected composition claims 8-14.
